

# Port Finance International The Baltics

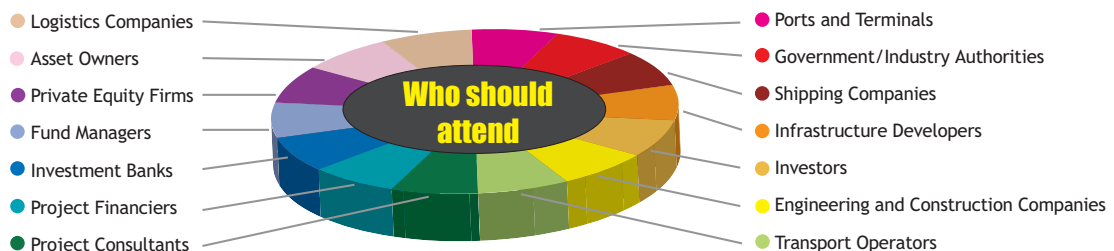

6-7 April 2011  
Copenhagen

**Port**  
**Finance**  
INTERNATIONAL

Investigating Solutions and Opportunities throughout the World's Ports for Growth and Investment

This Port Finance International Conference is designed to give delegates an in-depth understanding of innovative financing solutions and practical advice. It will also provide an excellent opportunity to meet potential equity and business partners, as well as senior executives from port authorities, port and terminal operators and the legal and banking industries to discuss finance options and development requirements. Additionally the conference will place a spotlight on Baltic ports and their plans for expansion and development, whilst also investigating opportunities around for growth and investment.

## Key Industry experts who will be covering a range of important topics, include:

- || Magnus Oldenburg, Head of Section, Transport Division, Swedish Ministry of Enterprise, Energy and Communications
- || Michel Gaspard, Engineer & Economist, Transport sector, European Investment Bank/Jaspers
- || Lennart Pettersson, Vice President, Copenhagen Malmö Port AB
- || Maxim Shirokov, General Director, Ust Luga
