This Port Finance International Istanbul Conference is designed to give delegates an in-depth understanding of innovative financing solutions and practical advice. It will also provide an excellent opportunity to meet potential equity and business partners, as well as senior executives from port authorities, port and terminal operators and the legal and banking industries to discuss finance options and development requirements. Additionally the conference will place a spotlight on the region's ports and their plans for expansion and development whilst also investigating opportunities for growth and investment.

Over 20 of the industry's leading experts will cover a range of important topics and will be on hand to answer your questions – including:

- **Ahmet Aslan**, General Director, General Directorate for Construction of Railways, Ports and Airports (DLH), the Ministry of Transport & Communication
- **Rado Antolovic**, Managing Director, DP World Constanta
- **Özgür Kalelioglu**, Port Services Group Manager, Arkas Holding
